

What matters to you?

Current experiences of people aged 50 or over in Wales

This is the sixth annual survey undertaken since 2020 by Age Cymru and the key organisations that represent older people in Wales.

It's important that Welsh Government and others hear from older people about your experiences and what matters to you.

This survey will take 15 minutes to complete.

Your response is anonymous. If you want us to contact you about the survey you can include your contact details at the end of the survey. You can also let us know if you want to get involved in our campaigns to make change for older people across Wales.

Thank you for your support in completing this survey.

You have received this survey in English, it's also available in Welsh. Please contact policy@agecymru.org.uk or call **029 2043 1555** to request a copy.
